

		MX10	MX9	MX8	MX5	MX3
		Wonderful in all aspects NEXT-LEVEL WIRELESS IMAGING FLAGSHIP	Superior Wireless Ultrasound Imaging	Truly integrated tele-ultrasound from your smart device	Exceptional pocket ultrasound from your smart device	General wireless imaging
						
		The MX10 together with MX9 competes most closely with the popular GE Vscan Extend and SonoSite iVIZ handheld ultrasound machines.		The MX5 Go competes most closely with the popular GE Vscan Extend and Philips Lumify, Butterfly iQ.		An affordable teaching tool—Perfect for Medical School
	RRP (Recommended Retail Price)	USD4200-7500	USD3800-6500	USD2899-3899	USD2899-3899	USD800-1899
	The supply price is less than the MOQ <MOQ=10 (USD)					
	The supply price is reach the MOQ, >MOQ=10 (USD)
